Facts about the CHS Swim Team:

- Did you know that the Collierville High School Swim Team is a Club Sport? High school swimming is not a sanctioned sport in the state of Tennessee.
- Did you know that it costs each swimmer approximately \$400 per season to participate on the team? (Even though they represent CHS, the swim team receives no financial support from the school.)
- Did you know that Collierville High School does not have a pool, and therefore each swimmer has to pay lane fees to swim at Compton Aquatic Center on the campus of St. George's High School?
- Did you know that there is an average of 30 - 35 swimmers on the CHS team and we are adding more students each year?
- Did you know that each year almost all of the CHS swimmers have qualified for the Shelby County High School Championship Swim Meet?
- Did you know that five out of the last seven years the CHS Swim Team has placed as one of the top three teams at the Shelby County High School Championship Swim Meet?
- Did you know that the Collierville High School Swim Team has had many state championship qualifiers and relay teams swim in the TISCA State Championship Meet?

NOW THAT YOU KNOW...WE REALLY NEED YOU TO JOIN OUR TEAM!

Your support will help us continue to grow and improve the Collierville High School Swim Program. There are many ways to show your support and ensure that the program remains strong and successful. As the costs of coaching fees, lane fees, equipment, uniforms, travel and other expenses are escalating; the necessity for more community involvement and support has become evident. With your help, we can continue to improve and serve the young people of Collierville. We can't do it without you!

WE APPRECIATE YOUR SUPPORT!
