

PARTICIPATION IN SCHOOL SANCTIONED ACTIVITIES

1. If the **Collierville High School** name, logo or mascot is used, all team members must be currently enrolled students at Collierville High School.
2. **No Pass – No Play:** To participate a student must have passed a minimum of 5 classes the previous year. A student may become eligible for the second semester at the end of the first semester if his or her grades are passing in 5 classes at that time. This is to be verified by a faculty representative and may require passwords to the internet grades to be shared with the faculty representative.
3. **No Attend – No Play:** Students may not participate in any after school event if they are absent from school that day.
4. The **discipline policies** of Collierville High School are in effect at all school sanctioned activities.
5. I understand my responsibilities to follow the above guidelines in order to participate in swimming for Collierville High School.
